Stoppy keeps doors open with style!

Stoppy™
Media Kit

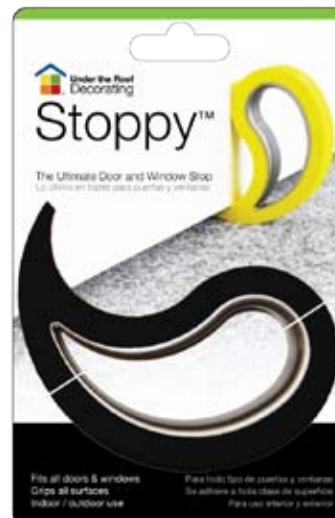

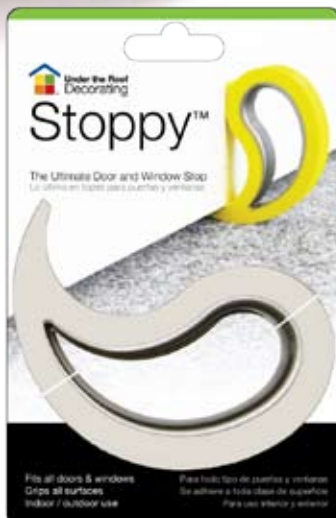

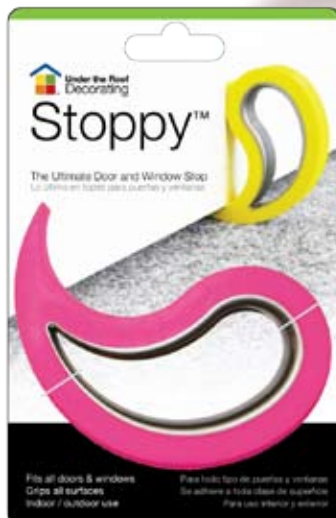

Stoppo - About this unique doorstop

No more propping doors open with stacks of books, chairs or shoes. Stoppo is fun, decorative and will keep your doors open with style.

Features & Benefits

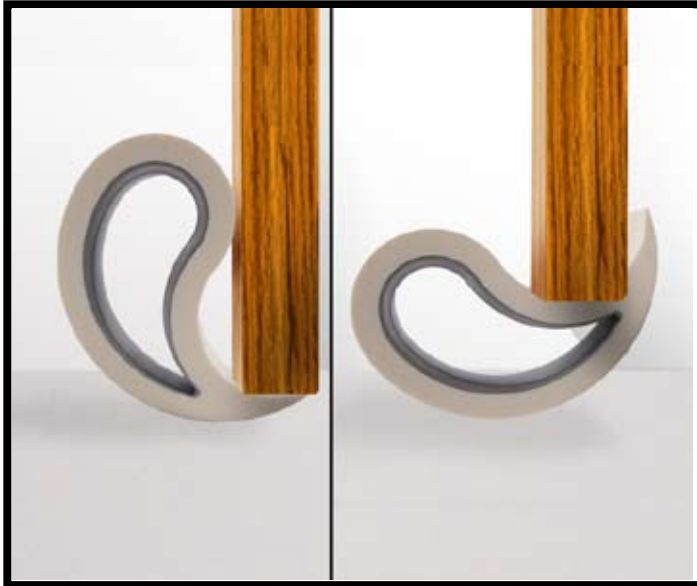

- Flexible material fits gaps from 0.25" - 3.5"
- Made of soft rubber that will not damage floors and bottom of doors
- Made of safe, non-toxic, washable, weatherproof materials
- Works on all types of surfaces such as carpet, tile, stone, wood, linoleum, and more
- Perfect for indoor and outdoor use at home, office, cottage or garage
- Available in a rainbow of colors, there is a Stoppo for everyone's taste and décor.

Patented
Made in Germany

Stopyy - How To Use

Stopyy is made from a safe, non-toxic material that works on carpet, tile, stone, wood, linoleum, and more. You can also use it outside to hold patio doors open. If it gets dirty, simply clean it with water and it'll work like new again.

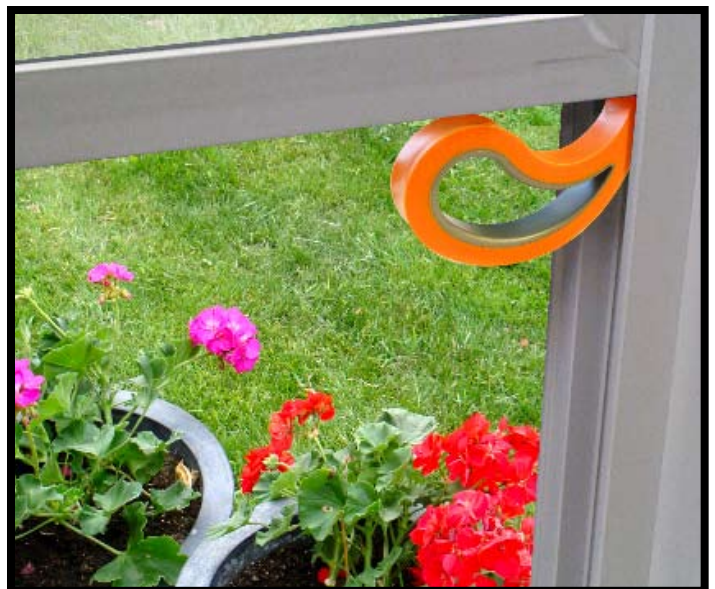

Fits gaps up to 3.5 inches

Use two to keep a patio door open

Use it in the door hinge

Keeps windows open

Stoppyp - more than a doorstep!

Ideas you've shared with us:

- Gain peace of mind when traveling by using Stoppyp to keep the hotel door secure. Also useful for avoiding any embarrassing incidents if you forget to hang the “Do not disturb sign.”
- Stoppyp keeps your books straight and organized in style.
- Pet friendly – use it to keep doors open to allow your pet(s) to come and go.
- Perfect for backyard parties - Use a couple of Stoppyps to keep your patio doors open even in the wind.
- Acts as the perfect butler and holds the door open while you bring groceries into the house or unload the car.
- Prevent active toddlers from getting into rooms they shouldn't. Jam Stoppyp in the bottom of the door of the bathroom, basement or office.
- Fits perfectly in your hand – use it as a stress squeeze on tough days.
- Use 2 Stoppyps to create the perfect Yin Yang and add instant Zen to your space.
